Introduction

The objective of this Invitation to Comment is to obtain input from stakeholders on the endorsement and adoption of *Amendments to the Fair Value Option for Investments in Associates and Joint Ventures* (Amendments to IAS 28) (Amendments), published by the International Accounting Standards Board (IASB) in June 2026. The Amendments clarify that similar entities include those that have a main business activity of investing in particular types of assets (as set out in paragraph 49(a) of IFRS 18 *Presentation and Disclosure in Financial Statements*) are eligible to elect the fair value option in IAS 28 Investments in Associates and Joint Ventures.

At the date of initial application of IFRS 18, an entity eligible to apply paragraph 18 of IAS 28 is permitted to change its election for measuring an investment in an associate or joint venture from the equity method to fair value through profit or loss in accordance with IFRS 9. If an entity makes such a change, the entity shall apply the change retrospectively applying IAS 8.

The information collected from this Invitation to Comment is intended to help with the endorsement assessment.

Assessment against endorsement criteria

Our draft assessment [tentatively] concludes that:

- the Amendments meet the criteria of relevance, reliability, understandability and comparability required of the financial information needed for making economic decisions and assessing the stewardship of management, as required by SI 2019/685 (see Regulation 7(1)(c));
- application of the Amendments is not contrary to the principle that an entity's accounts must give a true and fair view as required by SI 2019/685 (see Regulation 7(1)(a)); and
- that the Amendments are likely to be conducive to the long term public good in the UK as required by SI 2019/685 (see Regulation 7(1)(b)), having considered:
    - whether they will generally improve the quality of financial reporting;
    - the costs and benefits that are likely to result from their use; and
    - whether they are likely to have an adverse effect on the economy of the UK, including on economic growth.

Our assessment of the Amendments is set out in **Tables 1–4** of the [Draft] Endorsement Criteria Assessment ([Draft] ECA).
